Great Lakes College – Forster Campus Homework Club

GLC - Forster Campus supports student’s learning by providing a homework club for students. The club is held on Tuesday, from 3:15 to 4:30 in the school library. Participating students are provided with afternoon tea to help them through the session. The club is staffed voluntarily by teachers. This commitment is highly regarded by the students and their families as was evident in the evaluations undertaken at the end of 2011.

The format for the afternoon is as follows

3:15

- Students sign on, listing their name, subjects they are working on and desired drink for afternoon tea.
- Some rules
  - Students are not to play games on the computers
  - No more than 4 students per table
  - No idle chatter
  - No aimless wandering
- Some students come for extra work not just to complete set homework

4:00

- Afternoon tea, drink and biscuits
- Students help clean up

4:30

- Finish, students sign out to leave

All students from Forster Campus are welcome to attend.

Casey Anderson and Leanne Wilson
