SUBJECT SELECTION INFORMATION EVENING – TUESDAY 12 JUNE 2012

YEAR 10 STUDENTS/PARENTS/CAREGIVERS

We are going to hold an information evening to help students with subject selection for Preliminary and HSC study on Tuesday 12 June 2012 in the gymnasium at the Tuncurry Campus at 6.30pm. This is an essential meeting for all students considering enrolment in Year 11 for 2013.

The evening will start with various speakers including the Principal, Deputy Principal, Careers Advisers, VET coordinator and Year Advisers. Students will then have the opportunity to talk to staff from the Senior Campus about the various courses on offer to help make some decisions.

A booklet containing all relevant subject information as well as a sheet showing the courses that will be offered will be distributed to the students this week.

The process we follow to organise our subject lines for next year will be:

- Tuesday 12 June (Week 8 - Term 2) – Course Information Evening
- Saturday 16 June - 10am to 2pm (Week 8 – Term 2) – Open Day – Enrolment and Subject Information
- Term 3 – Weeks 1 - 4 – Senior campus staff and students will be visiting both 7 - 10 campuses to talk to groups of Yr 10 students about subjects
- Monday 13 August (Forster Campus), Tuesday 14 August (Tuncurry Campus) – Interview team to interview Year 10 students about their subject selection and collect selection sheets and enrolment forms.
- Information is collated, subject lines organised, students are notified if certain subjects are not available and they may need to make another choice.
- Final subject lines published, timetable for next year started
- Year 10 into Year 11 Orientation/Induction at the Senior Campus in Term 4 (further information provided at a later date)

Please bring the booklet with you on Tuesday night and the booklet with completed subject selection sheet to the interviews.
